

# The Gateway is Open

May 19,20,21,22 2016

## A Gathering for Women

Throughout our lives as women we have many decisions to make. A lot of the decisions are about other people and situations we find ourselves in.

*Children, relationships, home, work, parents, health, illness, stress, happiness, loneliness, fear, grief, betrayal, finances, age, energy and lack there of —*

## This Gathering is for "US"

A time to gather with women, a time to open ourselves to heal.

A time to amplify our courage to make decisions about "OURSELVES"

The Gateway is open —we can walk through it to the good things that are waiting for "US". We can walk away from the things that are damaging to "US."

Through Ritual & Ceremony  
we we will empower each other and ourselves
